Julia & Ryan

CANOE RESTAURANT AND BAR

TELL US ABOUT THIS STUNNING DAY:

"Toronto restaurant wedding. The couple wanted an elegant and classic wedding day with mostly candid photography coverage. No flash set ups, no staging and minimal interruption of the day except for 10 minute family formals and 30 minutes bride groom photos. Wedding coverage started at The Fairmont Royal York then moved to Canoe Restaurant and Bar in the TD tower." - F

Frances M., Published September 1, 2024
